The Greatest Music Never Sold is a never-before-attempted look at the legendary lost recordings of the pop music world. It reveals the secrets of 20 albums — works by superstars and supergroups such as Mick Jagger, Seal, Chicago, David Bowie, Prince, Cheryl Crow, the Beastie Boys, U2, and 50 Cent — that have never been officially released. New interviews with artists, band members, producers, engineers, and label executives shine a light into the darkened studio vaults, revealing the ego battles, politics, and career confusion that have buried work by these pop music greats. Certain to appeal to record collectors, bootleggers, and ardent music fans everywhere, The Greatest Music Never Sold is a rare look into one of pop music's hidden corners.

In a moving example of unconditional love in difficult times, Gregory Boyle, the Jesuit priest and New York Times bestselling author of Tattoos on the Heart, shares what working with gang members in Los Angeles has taught him about faith, compassion, and the enduring power of kinship. In his first book, Tattoos on the Heart: The Power of Boundless Compassion, Gregory Boyle introduced us to Homeboy Industries, the largest gang-intervention program in the world. Critics hailed that book as an "astounding literary and spiritual feat" (Publishers Weekly) that is "destined to become a classic of both urban reportage and contemporary spirituality" (Los Angeles Times). Now, after the successful expansion of Homeboy Industries, Boyle returns with Barking to the Choir to reveal how compassion is transforming the lives of gang members. In a nation deeply divided and plagued by poverty and violence, Barking to the Choir offers a snapshot into the challenges and joys of life on the margins. Sergio, arrested at age nine, in a gang by age twelve, and serving time shortly thereafter, now works with the substance-abuse team at Homeboy to help others find sobriety, Jamal, abandoned by his family when he tried to attend school at age seven, gradually finds forgiveness for his schizophrenic mother. New father Cuco, who never knew his own dad, thinks of a daily adventure on which to take his four-year-old son. These former gang members uplift the soul and reveal how bright life can be when filled with unconditional love and kindness. This book is guaranteed to shake up our ideas about God and about people with a glimpse at a world defined by more compassion and fewer barriers. Gently and humorously, Barking to the Choir invites us to find kinship with one another and re-convinces us all of our own goodness.

Music, myth, and magic mix—in this two-volume fantasy masterpiece by a New York Times–bestselling author that is a “joy to read” (Publishers Weekly). Hugo and Nebula Award–winning author Greg Bear explores the power of music to open a portal between worlds in this pair of brilliantly imagined fantasy novels. The Infinity Concerto: Following the instructions of a virtuoso composer—whose controversial Concerto Opus 45 is actually a song of power—young poet Michael Perrin passes through a gateway between Earth and the Realm of the Sidhedark, where faeries reign by rule of magic, and Michael’s epic journey begins . . . The Serpent Mage: After five years trapped in the Realm of the Sidhedark, Michael has returned home to Los Angeles. But the song of power has weakened the veil between the human and faerie worlds, and the Sidhe have followed him to the other side . . .

Green River Valley, Robert Lashley’s third poetry collection, is an unapologetic and harrowing look at gentrification, racism, and personal and collective loss in his hometown of Tacoma, Washington. With each poem, Lashley asks readers to bear witness to his lived experiences there and to honor the people, places and memories that shaped him alongside the city we know today. Lashley pulls no punches in this collection, which showcases his signature, rhythmic eloquence and acuity more than ever. His narrative threads expose hidden intimacies amid trauma and ambivalence in the face of institutionalized racism. Readers will leave this book asking, how do we build and honor a city’s legacy, and what part did we take in that journey?

Songs of Myself: Quartet is deeply rooted in the indigenous African poetic tradition. The great udje poets first composed songs paying tribute to the god of songs, followed by songs of self-exhortation, and then songs mocking themselves before satirizing others. This collection incorporates some of these aspects of the oral poetic genre in its four-part structure. It deals with self-examination and the minstrel’s alter-ego as a way of attempting to know himself. So, there is self-mockery that justifies mocking others. The four parts of the collection are: “Pulling the Thread of the Loom,” “Songs of Myself,” “Songs of the Homeland Warrior,” and “Secret Love and Other Poems.”

A look at the careers of several acclaimed Scottish musicians from Fife, from their early days to the highs and lows of the music industry, to today. The East Neuk of Fife, Scotland, may seem like an unusual place for a musical revolution, but as this firsthand account reveals, there is more to the sleepy fishing villages and rolling fields, and a small community of musicians has crept up on the world. From psychedelic troubadours the Beta Band to the Billboard chart star KT Tunstall, acclaimed singer-songwriter James Yorkston, and the reigning monarch and lynchpin of the Fence Collective, King Creosote, this book plots the unique, intertwining tales of these Fifers from their schooldays to the present day. This story, full of personal anecdotes and exclusive interviews, provides an in-depth look at a unique collective of musicians who have experienced the extreme highs and the desperate lows of the music business and how a craggy outpost on the east coast of Scotland had a role in crafting talented artists. Praise for Songs in the Key of Fife “DJ turned author Galloway does a superb job of documenting the lives of these artists, misfits and “heads,” not least because he is a Fife lad himself.” —Mojo (UK) “A remarkable insight into the pitfalls of the music industry . . . essential reading for any young musician in Scotland thinking about trying to make a go of it—not least for the rude awakening it may offer

Funk: It's the only musical genre ever to have transformed the nation into a throbbing army of bell-bottomed, hoop-eared, rainbow-Afro'd warriors on the dance floor. Its rhythms and lyrics turned bleak urban realities inside out with distinctive, danceable, downright irresistible music. Funk hasn't received the critical attention that rock, jazz, and the blues have until now. Colorful, intelligent, and in-you-face, Rickey Vincent's Funk celebrates the songs, the musicians, the philosophy, and the meaning of funk. The book spans from the early work of James Brown (the Godfather of Funk) through today, covering funky soul (Stevie Wonder, the Temptations), so-called "black rock" (Jimi Hendrix, Sly and the Family Stone, the Isley Brothers), jazz-funk (Miles Davis, Herbie Hancock), monster funk (Parliament, Funkadelic, Bootsy's Rubber Band), naked funk (Rick James, Gap Band), disco-funk (Chic, K.C. and the Sunshine Band), funky pop (Kook & the Gang, Chaka Khan), P-Funk Hip Hop (Digital Underground, De La Soul), funk-sampling rap (Ice Cube, Dr. Dre), funk rock (Red Hot Chili Peppers, Primus), and more. Funk tells a vital, vibrant history—the history of a uniquely American music born out of tradition and community, filled with energy, attitude, anger, hope, and an irrepressible spirit.

"Naqvi's fast-paced plot, foul-mouthed erudition and pitch-perfect dialogue make for a stellar debut." —Publishers Weekly (Starred Review) They are renaissance men. They are bons vivants. They are three young Pakistani men in New York City at the turn of the millennium: AC, a gangsta-rap-spouting academic; Jimbo, a hulking Pushtun DJ from the streets of Jersey City; and Chuck, a wideeyed kid, fresh off the boat from the homeland, just trying to get by. Things start coming together for Chuck when he unexpectedly secures a Wall Street gig and begins rolling with socialites and scenesters flanked by his pals, who routinely bring down the house at hush-hush downtown haunts. In a city where origins matter less than the talent for self-invention, the three Metrostanis have the guts to claim the place as their own. But when they embark on a road trip to the hinterland weeks after 9/11 in search of the Shaman, a Gatsbyesque compatriot who seemingly disappears into thin air, things go horribly wrong. Suddenly, they find themselves in a changed, charged America. Rollicking, bittersweet, and sharply observed, *Home Boy* is at once an immigrant's tale, a mystery, and a story of love and loss, as well as a unique meditation on Americana and notions of collective identity. It announces the debut of an original, electrifying voice in contemporary fiction.

Home for Christmas brings inspiring stories of hope and second chances into the Advent season. Author and pastor Justin Coleman matches real life stories of struggle and triumph to the Advent themes of hope, love, joy, and peace to show how the light of Christmas shines brightly even in hard times. Each chapter lifts up a scripture reflection alongside tales of men and women who reflect on the Advent themes with love and longing. Throughout each of the four chapters and the accompanying DVD for a small-group experience, Coleman captures the stories of formerly incarcerated men and women as they find work and opportunity through Homeboy Industries in Los Angeles, California. These men and women share their holiday memories and experiences in light of the hope and new life they've experienced at Homeboy. This Youth Study Book takes the ideas presented in the book and interprets them for young people grades 6-12.
