### [Old Man Whickutt's Donkey](#)

Dex Hollister hunts relics in the accretion disk of a black hole. Aging, impoverished, and suffering from a dry streak, he sets his sights on the biggest score of all: a battleship from a long-dead civilization. Dex makes the "catch," but his prize powers up and pulls them both across the event horizon. In this no-man's land of time and space, the automated ships of two ancient civilizations still fight their war. Trapped beyond the point of no return, Dex must use all his cunning to make his way back home. Written in the tradition of Ernest Hemingway's *The Old Man and the Sea*, this story pits man against the universe in a space opera setting.

### [The Terrible Old Man](#)

From a National Book Critics Circle Award winner, a brilliantly conceived and illuminating reconsideration of a key period in the life of Ernest Hemingway that will forever change the way he is perceived and understood. Focusing on the years 1934 to 1961—from Hemingway's pinnacle as the reigning monarch of American letters until his suicide—Paul Hendrickson traces the writer's exultations and despair around the one constant in his life during this time: his beloved boat, *Pilar*. We follow him from Key West to Paris, to New York, Africa, Cuba, and finally Idaho, as he wrestles with his best angels and worst demons. Whenever he could, he returned to his beloved fishing cruiser, to exult in the sea, to fight the biggest fish he could find, to drink, to entertain celebrities and friends and seduce women, to be with his children. But as he began to succumb to the diseases of fame, we see that *Pilar* was also where he cursed his critics, saw marriages and friendships dissolve, and tried, in vain, to escape his increasingly diminished capacities. Generally thought of as a great writer and an unappealing human being, Hemingway emerges here in a far more benevolent light. Drawing on previously unpublished material, including interviews with Hemingway's sons, Hendrickson shows that for all the writer's boorishness, depression, and alcoholism, and despite his choleric anger, he was capable of remarkable generosity—to struggling writers, to lost souls, to the dying son of a friend. We see most poignantly his relationship with his youngest son, Gigi, a doctor who lived his adult life mostly as a cross-dresser, and died squalidly and alone in a Miami women's jail. He was the son Hemingway forsook the least, yet the one who disappointed him the most, as Gigi acted out for nearly his whole life so many of the tortured, ambiguous tensions his father felt. Hendrickson's bold and beautiful book strikingly makes the case that both men were braver than we know, struggling all their lives against the complicated, powerful emotions swirling around them. As Hendrickson writes, "Amid so much ruin, still the beauty." Hemingway's *Boat* is both stunningly original and deeply gripping, an invaluable contribution to our understanding of this great American writer, published fifty years after his death.

Peter Johnson has long been acclaimed by such poets as Russell Edson and Charles Simic as one of the masters of the prose poem. In his new book, *Old Man Howling at the Moon*, he continues his exploration of the genre, exhibiting his usual comic touch. Johnson calls these new poems "complaints" and traces his influences back to fourteenth-century France, while pointing out in the preface that his wise-fool Grumpy Old Everyman is also very much a part of a tradition, including writers as diverse as Allen Ginsberg, Catullus, and Nicanor Farrá. *Old Man Howling at the Moon* is a welcome arrival at a time when anger and satire are desperately needed to enliven a contemporary poetry scene where often fashionable irony reigns supreme.

### [Mr. Putter and Tabby Smell the Roses](#)

Created by Baroness Orczy, author of the famous *Scarlet Pimpernel* series, *The Old Man in the Corner* was one of the earliest armchair detectives, popping up with so many others in the wake of the huge popularity of the *Sherlock Holmes* stories. The *Old Man* relies mostly upon sensationalistic "penny dreadful" newspaper accounts, with the occasional courtroom visit for extra laughs. He narrates all this information (while tying complicated knots in a piece of string) to a Lady Journalist who frequents the same tea-shop.

This early work by William Wymark Jacobs was originally published in 1902 and we are now republishing it with a brand new introductory biography. Jacobs worked as a clerk in the civil service before turning to writing in his late twenties, publishing his first short story in 1895. Most of Jacobs' work appeared before the onset of World War I, and although the majority of his output was humorous in tone, he is best-remembered now for his macabre tales, particularly those contained in his 1902 collection *The Lady of the Barge*, such as 'The Monkey's Paw' and 'The Toll House'.

## [Old Man of the Sea](#)

One of the best-selling young adult books of all time, written by Pulitzer Prize-winning author Paul Zindel. John Conlan is nicknamed "The Bathroom Bomber" after setting off firecrackers in the boys' bathroom 23 times without ever getting caught. John and his best friend, Lorraine, can never please their parents, and school is a chore. To pass the time, they play pranks on unsuspecting people and it's during one of these pranks that they meet the "Figman." In spite of themselves, John and Lorraine soon get caught up in Mr. Pignati's zest for life. In fact, they become so involved that they begin to destroy the only corner of the world that has ever mattered to them. Can they stop before it's too late?'

Set in the Gulf Stream off the coast of Havana, Hemingway's magnificent fable is the story of an old man, a young boy and a giant fish. In a perfectly crafted story, which won for Hemingway the Nobel Prize for Literature, is a unique and timeless vision of the beauty and grief of man's challenge to the elements in which he lives.

## [An Old Man ?s Love](#)

At a local tea shop, a lady journalist encounters a brilliant detective who's able to decode and solve some of the city's most complicated crimes. This is a thrilling narrative that hinges on the unique dynamic between its two protagonists. Polly Burton is a young journalist who stumbles across an elderly man at a London tea shop. She soon discovers his peculiar personality and dazzling intellect. Through a series of conversations, they discuss the city's most infamous criminal cases. With superior deductive skills, the old man's able to solve each mystery without leaving the comfort of his chair. Some of the stories featured in this vibrant collection include "The Theft at the English Provident Bank," "The Fenchurch Street Mystery" and "The Regent's Park Murder." The Old Man in the Corner is Baroness Orczy's take on the detective genre, which highlights a quirky and unexpected hero. Fans of Sherlock Holmes will adore these clever stories led by the surprisingly perceptive sleuth. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Old Man in the Corner* is both modern and readable.

A fascinating account of how the Mississippi River shaped America In Old Man River, Paul Schneider tells the story of the river at the center of America's rich history--the Mississippi. Some fifteen thousand years ago, the majestic river provided Paleolithic humans with the routes by which early man began to explore the continent's interior. Since then, the river has been the site of historical significance, from the arrival of Spanish and French explorers in the 16th century to the Civil War. George Washington fought his first battle near the river, and Ulysses S. Grant and William T. Sherman both came to President Lincoln's attention after their spectacular victories on the lower Mississippi. In the 19th century, home-grown folk heroes such as Daniel Boone and the half-alligator, half-horse, Mike Fink, were creatures of the river. Mark Twain and Herman Melville led their characters down its stream in The Adventures of Huckleberry Finn and The Confidence-Man. A conduit of real-life American prowess, the Mississippi is also a river of stories and myth. Schneider traces the history of the Mississippi from its origins in the deep geologic past to the present. Though the busiest waterway on the planet today, the Mississippi remains a paradox--a devastated product of American ingenuity, and a magnificent natural wonder.

From the late and great Peter Ustinov comes a story full of wit, satire and insight. An increasingly decrepit God and a merely ill-tempered Satan are reconciled and attempt a mission to Earth, where their misadventures point up the comedy and tragedy of modern life, as they travel to a variety of countries in the guise of the Old Man (God) and Mr. Smith (Satan), with the FBI and Interpol in hot pursuit.

## [The Old Man and the Boy](#)

A trip with his estranged father changes Nate forever. Commended for the Popular Paperback Young Adults Pick, 2014 and short-listed for the Forest of Reading - White Pine Award for Fiction, 2014 Just as summer vacation is about to arrive, Nate Huffman's plans are unexpectedly shelved for the most unlikely of reasons: the reappearance of his estranged father. Not only is the old man back, he's got this goofy idea about a road trip the two of them will take. Nate finds himself in a pickup with a man he can't stand. His father wants to reconnect, and he wants Nate to really understand him. Larry Huffman has chosen to make this happen by taking his son into his own past, which has the Vietnam War as its centerpiece. As the two struggle their way through the jungle of the Ashau Valley, the old man relives the horror of the battle that changed him forever, and Nate undergoes changes of his own - and they experience something that goes far beyond what either of them expected.

The man in the corner pushed aside his glass, and leant across the table. "Mysteries!" he commented. "There is no such thing as a mystery in connection with any crime, provided intelligence is brought to bear upon its investigation." Very much astonished Polly Burton looked over the top of her newspaper, and fixed a pair of very severe, coldly inquiring brown eyes upon him. She had disapproved of the man from the instant when he shuffled across the shop and sat down opposite to her, at the same marble-topped table which already held her large coffee (3d.), her roll and butter (2d.), and plate of tongue (6d.). Now this particular corner, this very same table, that special view of the magnificent marble hall-known as the Norfolk Street branch of the Aërated Bread Company's depôts-were Polly's own corner, table, and view. Here she had partaken of eleven pennyworth of luncheon and one pennyworth of daily information ever since that glorious never-to-be-forgotten day when she was enrolled on the staff of the Evening Observer (we'll call it that, if you please), and became a member of that illustrious and world-famed organization known as the British Press. She was a personality, was Miss Burton of the Evening Observer. Her cards were printed thus

From the New York Times-bestselling author of Poison Flower: a retired intelligence officer is caught in "[a] harrowing hunt-and-hide adventure" (The New York Times). To all appearances, Dan Chase is a harmless retiree in Vermont with two big mutts and a grown daughter he keeps in touch with by phone. But most sixty-year-old widowers don't have multiple driver's licenses, savings stockpiled in banks across the country, or two Beretta Nanos stashed in the spare bedroom closet. Most have not spent decades on the run. Thirty-five years ago, as a young army intelligence hotshot, Chase was sent to Libya to covertly assist a rebel army. When the plan turned sour, Chase acted according to his conscience-and triggered consequences he never could have anticipated. To this day, someone still wants him dead. And just when he thought he was finally safe, Chase is confronted with the history he spent much of his life trying to escape. "Ferry drives deep into Jack Reacher territory in this stand-alone [novel] . . . Swift, unsentimental, and deeply satisfying. Liam Neeson would be perfect in the title role." -Kirkus Reviews

Six dark fictions with a cosmic scope and a delirious immediacy, these shorter pieces (2 novellas and 4 one-acts) are an aspect of Swartz's gift many will find welcome, others hugely unsettling. The Old Man and the Bird, the concluding sequence of a befuddled Harry Ricci, could be taken as a "neo-conservatively-grotesque" parable. From there it is a short stroll to Burt Spew in "Snappers," a madcap Armageddon of its own and parody of "Jaws." We have as well such oddities as "The Damnation of Winston Pollock," the saga of a disgruntled software wizard; "The Gift Horse and the Gift," the comic swan song of a disaffected shooter; "Off the Record," the threnody of "a pedophilic trans-racial hip hop" composer; and "Clippers," the outcry of a small-town American sub-literate, a latter-day, testosterone-laden barber "waiting for [his] Godot." All told, these tales are abundant reminder that it was possible to laugh before 9/11, and to chuckle, even roar, long after, en route to our current Abu Ghraibs or Guantanamo.

## [Hemingway's Boat](#)

"The Terrible Old Man" is a short story by H. P. Lovecraft, written on January 28, 1920, and first published in the *Tryout*, an amateur press publication, in July 1921. It's notable as the first story to make use of Lovecraft's imaginary New England setting, introducing the fictional town of Kingsport. The Terrible Old Man is a strange elderly man "so old that no one can remember when he was young, and so taciturn that few know his real name". He lives alone in an ancient house on Water Street in the town of Kingsport. The Terrible Old Man reappears in the story "The Strange High House in the Mist" in a more benevolent role.

From the creators of *Dragons Love Tacos* comes the story of what happens when a grumpy old man and some mischievous squirrels match wits—with hilarious results. Old Man Fookwire is a grump. The only thing he likes to do is paint pictures of the birds that visit his backyard. The problem is, they fly south every winter, leaving him sad and lonely. So he decides to get them to stay by putting up beautiful birdfeeders filled with seeds and berries. Unfortunately, the squirrels like the treats, too, and make a daring raid on the feeders. The conflict escalates—until the birds depart (as usual), and the squirrels come up with a plan that completely charms the old grump.

## [The Lottery](#)

A special 20th anniversary edition of the beloved international bestseller that changed millions of lives. Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He reconnected with Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class:" lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.
