Don't Hate the Player-- Hate the Game! Twenty year old, Allison Slater has been in love with her brother's bandmate, Rhys McGowan, since she was thirteen years old. But to him, she'll always be Jake's little sister and off limits. Now a college sophomore and licking her wounds from a bad breakup, she sets her sights on making Rhys see her as someone he could date maybe even love. Her opportunity comes when Rhys visits his parents in Savannah where she is attending college. But the night she dreamed of turns to heart-break, and she realizes she'll never be the one for Rhys. For Rhys McGowan, his nightmare began when he woke up, naked and hung-over next to his bandmate's little sister. Unable to remember a thing from the previous night, he only makes matters worse by lying to Allison about not being interested. The truth is he's spent the last year to ignore his body's reaction whenever Allison is around. His resolve is tested when Allison comes on tour with Runaway Train, both Jake and Abby's nanny and to fulfill her fashion design internship. The more time he spends with her in the close quarters of the bus, the harder it is for him. Will Rhys realize that having a relationship with Allison is worth fighting for even if it means that he has to fight his best friend for a chance?

Search Me After her former boyfriend left her pregnant and alone, Megan McKenzie swore off men. She spent the last eighteen months focused solely on her son Mason, along with finishing nursing school at the top of her class. Although she's not ready to complicate her life with a long-term relationship, a nice no-strings hook-up is just what she needs. At her godson, Noah's, baptism, she finds the perfect candidate in the soft-spoken godfather, Pesh Nadeen. After all, the widower can use a good time too. But after drinking too much, the night doesn't end the way she thought it would. Forced to leave Pesh's house through a walk of shame, Megan hopes to never, ever see him again. For Pesh Nadeen, the very sight of Megan sends him into an emotional tailspin. Since she reminds him too much of what he had, he wants to be out of her sight...at first. But the more he gets to know her, there's something about the diminutive blonde that causes his protective side to go into overdrive, and he finds himself wanting more. When Megan is assigned to work in his ER to complete her nursing clinicals, he sees it as fate, but she's having no part of it. She only wants a physical relationship while he wants far more. What happens next is a sexy game of cat and mouse to see who will break first or if both of them will eventually get more than they ever bargained for.

Vicious Cycle From the time I was a kid, I knew I wanted a job helping people. After serving in the Rifles regiment of the British Army, I focused my civilian career on becoming a bodyguard to the rich and famous. For a Cockney Brit, I never imagined a twist of fate landing me a position in the United States Secret Service and protecting the President's son. But then my boss made an unexpected request: leave my current placement to move in with his only daughter to give an added layer of protection against the threats she had been receiving. I'd never lived with a woman who was off-limits to me. It wasn't just that Caroline had a boyfriend. She was my friend's sister, and my boss's daughter. But the longer we're in such close quarters together, the greater the temptation grows, but I know I'll lose everything if I go for her. Growing up as the only girl with two overbearing older brothers, I'm no stranger to being overprotected. Just as I finished up college and prepared to truly dip into the adult world, my father was elected President of the United States, which added a whole new level of protection with the Secret Service team attached to me. When I thought I couldn't possibly be more smothered, I began receiving threats, and my family decided it wasn't enough to just have an agent living down the hall from me. Nope, I was to have one move in with me, and not just any agent, but Ty Frasier-my brother, Barrett's best friend, and my brother, Ty's, head agent. While most women would enjoy living with a sexy, buff Brit, having a roommate throw a wrench into all my plans. Especially when I began noticing Ty was so much more than a guy-he was someone I could fall for.\*\*Stand-alone set in the world of Running Mate and Office Mate\*\*

Redemption Road Drug overdose, driven largely by overdose related to the use of opioids, is now the leading cause of unintentional injury death in the United States. The ongoing opioid crisis lies at the intersection of two public health challenges: reducing the burden of suffering from pain and containing the rising toll of the harms that can arise from the use of opioid medications. Chronic pain and opioid use disorder both represent complex human conditions affecting millions of Americans and causing untold disability and loss of function. In the context of the growing opioid problem, the U.S. Food and Drug Administration (FDA) launched an Opioids Action Plan in 2016. As part of this plan, the FDA asked the National Academies of Sciences, Engineering, and Medicine to convene a committee to update the state of the science on pain research, care, and education and to identify actions the FDA and others can take to respond to the opioid epidemic, with a particular focus on informing FDA development of a formal method for incorporating individual and societal considerations into its risk-benefit framework for opioid approval and monitoring.

Tanner's Promise The New York Times bestselling author of Vicious Cycle plunges readers into a world of danger and desire in her newest in the Vicious Cycle motorcycle club romance series. Beat of the Heart A chance encounter with a handsome banker in a Greenwich Village jazz bar on New Year's Eve 1938 catapults witty Wall Street secretary Kate Kontent into the upper echelons of New York society, where she befriends a shy multi-millionaire, an Upper East Side ne'er-do-well and a single-minded widow. A fast-paced novel. Reprint.

The Practice Proposal Hans Ulrich Obrist curated his first exhibit in his kitchen when he was twenty-three years old. Since then he has staged more than 250 shows internationally, many of them among the most influential exhibits of our age. Ways of Curating is a compendium of the insights Obrist has gained from his years of extraordinary work in the art world. It skips between centuries and continents, flitting from meetings with the artists who have inspired him (including Gerhard Richter, Louise Bourgeois, and Gilbert and George) to biographies of influential figures such as Diaghilev and Walter Hopps. It describes some of the greatest exhibitions in art history, as well as some of the greatest exhibitions never realized. It traces the evolution of the collections from Athanasius Kircher's 17th-century Wunderkammer to modern museums, and points the way for projects yet to come. Hans Ulrich Obrist has rescued the word "curate" from wine stores and playlists to remind us of the art inherent in looking at art—and at the world—in a new way.

The Death of Bees Tanner Harlow is a talented landscape designer, quietly building a name and a solid future when he finds himself needing to be the temporary guardian to his eleven-year-old half-sister. Tanner loves her, but can't see himself as a father figure or imagine how he's going to build his business during his busiest season with a child in tow until his newest client—his high school crush who still makes his heart pound—has a proposition that will help them both as long as Tanner resists the tempting lure of the girl next door. Elementary school teacher Francie Tate moved back to Marietta to be close to her ailing father. She plans to settle up her little bungalow before the school year starts, but definitely needs help with the neglected yard. She's shocked when the landscaper she hired turns out to be her class mate. Tanner used to be shy in school, but he isn't the same kid anymore—he's tall, sexy, and has the most striking brown eyes she's ever seen. When Francie learns of Tanner's need for child care, she impulsively offers to watch his half-sister for the summer in return for some landscaping and renovations around the house. It seems like a win-win, but Francie didn't bargain on falling in love.

A Modest Proposal For Abby Renard, the plan was supposed to be simple-join her brothers' band on the last leg of their summer tour and decide if she's finally ready for the limelight by becoming its fourth member. Of course, she never imagined stumbling onto the wrong tour bus at Rock Nation would accidentally land her in the bed of Jake Slater, the notorious womanizing lead singer of Runaway Train. When he mistakes her for one of his groupie's, Abby quickly lets him know she sure as hell isn't going into his bed on purpose. Jake Slater never imagined the angel who fell into his bed would resist his charms by promptly kneeing him in the balls. Of course, the fact she's a country singer seems like a prissy choir girl makes her anything but his type. So he is more than surprised when after betting Abby she wouldn't last a week on their tour bus, she's more than willing to prove him wrong. But as Jake's personal life begins to implode around him, he finds an unlikely ally in Abby. He's never met a woman he can talk to, joke with, or most importantly make music with. As the week starts to come to a close, neither Abby nor Jake is ready to let go. Can a sweetheart Country singer and a bad boy of Rock N Roll actually have a future together?

New Leaf Cade Hall has always been the golden boy of the gridiron. Because of his talent at football, coupled with his father's wealth, he's always gotten his way. When a night of drunken debauchery lands him in hot water with the college athletic board, neither his influential father nor his charming grin can save him. Cade's total buzz kill when he is sentenced to community service with troubled youth at an inner-city shelter. But his nightmare is only beginning when his greatest high school regret is the very one in charge of the program, and she has him by the balls in more ways than one. For Avery Prescott, senior year was a nightmare of epic proportions and Cade Hall played the lead villain. After she fled her small town for college in the bright lights of Atlanta, she thought she had escaped the painful memories of her past. She never could have imagined Cade would waltz through the door of the outreach program she presided over. But Avery has news for Cade-she isn't the same shy, doormat of a girl she was in high school. Since she holds Cade's football future in her hands, she's more than ready to make payback a real bitch. Will they stay in the defensive zone or discover that sometimes life's greatest lessons are learned the hard way?

With Defense Department funds, he and a band of visionary computer whizzes began work on a nationwide, interlocking network of computers. Taking readers behind the scenes, Where Wizards Stay Up Late captures the hard work, genius, and happy accidents of their daring, stunningly successful venture.

Drop Dead Sexy The last time I saw Declan St. James was at our rehearsal dinner. That was shortly before he jilted me at the altar. To avoid the swarm of whispering finger pointing every time I dared to show my face in public, I fled two hours south to Atlanta and never looked back. Over the last decade, I'd planned hundreds of scenarios about how our next meeting would go down. The expletives I'd hurl at him. Which knee I might use to annihilate his balls. Which dimpled cheek on his ridiculously handsome face I would send a stinging slap across. But being elbow deep in a cow's ass was not one of them. Normally, I didn't get up close and personal with a bovine's rectum. At least not since veterinarian school. But desperate times found me back home to attend my grandfather's funeral, who happened to be the town's largest animal vet. Those two facts had left me wading through manure in Roy Wallace's pasture to care for a distressed heifer. While time and maturity seemed to have changed him from the boy I knew, I still wasn't falling for his charm. Or his hard, chiseled body. Or ass you could eat dinner off of. No, I wasn't going back down there again. Unfortunately, Declan didn't seem to get the message. Instead, he seemed as stubborn as he ever was and ready for a fight. It'll be the fight of his life for me to get him back in my heart.

Rock the Band A Modest Proposal Jonathan Swift - To ease poverty in Ireland by eating the children of the poor was the satirical 'solution' suggested by Jonathan Swift in his essay 'A Modest Proposal' (1729). Here Swift unleashes the full power of his ironic armoury and corrosive wit, finding his targets - the British ruling class and their avaricious landlords, and the brutalized Irish, complicit in their own oppression - with deadly precision.

The Tycoon's Scandalous Proposition As the Runaway Train family gathers in Savannah, Georgia for the wedding of its last single member, Rhys McGowan, to Allison Slater, Jake's little sister, Rolling Stone magazine prepares an issue to celebrate the union. While focusing on the happy couple, they also sit down with Brayden and Lily Vanderburg for a feature on successful rock star marriages. After all, the two have been a couple since they were sixteen years old. But there is more to the story than meets the eye, and their love took a slight detour before finding happily ever after. Told in flashbacks from the present to the past, Brayden and Lily share the story of their unbreakable love.

The Hard Way Abby Renard and Jake Slater get married after a year-long engagement. After a week long honeymoon in Mexico they return to the world of touring and making music until a twist of fate challenges their love.

The Pairing Thorn From the first time I played army as a kid, the military has been my life. As an Airborne Major, I'd led my men through two tours in Afghanistan. When my father was elected president, I became an even greater target for the enemy—a prize for someone to take out. To ensure not only the safety of myself, but my men, I got stripped of my cammies, shoved into an Armani suit, and placed into a management position at my father's company. After years of trekking through the desert with an assault rifle, I was way out of my area of expertise, which my transition coordinator was more than happy to let me know on a daily, if not hourly basis. The brunette bombshell would be the death of me in more ways than one, especially since I hadn't been with a woman since my last deployment. She's turning out to be one of the greatest foes I've ever done battle with. Isabel In the backwoods Georgia town I was born in, you either married right out of high school or got the hell out of town. I chose the second and never looked back. After graduating top in my class, I started working for The Callahan Corporation. Fast forward five years and I was about to become the youngest female manager in the history of my department. And then all the blood, sweat, and tears I'd put into my career were for nothing when the billionaire son was handed my position on a silver platter. Not only that, I was expected to help transition him into the job that was supposed to be mine. Sure, he was a handsome son of a bitch on the eyes with his chiseled good-looks and impossibly built physique, but I'm not going to let that distract me. I hope soldier boy is good at military strategy because sabotage is the name of the game I'll be playing.
