A book about Taylor. Made with love. By fans. For fans. “DelightfulA rich and exhaustive productionSwifties have gotten their bible.” —The New Yorker Ten years ago, an unknown sixteen-year-old released a self-titled debut country album. A decade later, Taylor Swift has reached record-breaking, chart-topping heights. A ten-time Grammy winner, Swift has been hailed for songwriting talent, crossed effortlessly from country to pop, and established herself as a musician who can surprise, delight, and inspire, all while connecting with her fans in a way that only she can. Amazingly, after all these years, there is no great, comprehensive book about Swift for her fans. Until now. This book, a fan-generated celebration of Swift’s first decade as an artist, collects the best writing and images from the past ten years in one gorgeous volume. From pre-fame interviews with Swift in local Pennsylvania newspapers to major profiles in The New Yorker and Rolling Stone; from album reviews by top critics such as Robert Christgau, Sasha Frere-Jones, and Ann Powers to essays by beloved novelists like Maggie Shipstead; from Tavi Gevinson’s classic ode to Swift in The Believer to Q&As with Chuck Klosterman and humorous analysis from McSweeney’s and The Hairpin; from album-themed crossword puzzles and adult coloring pages to profiles of Taylor’s biggest fans; from an excerpt of the soon-to-be-published novel Taylor Swift: Girl Detective to a “book within a book” of Swift’s most inspiring quotations titled

(naturally) The Tao of Tay, this book is the vital collection of all things Taylor. Here, finally, is the must-have book for every Swiftie and every music lover. For, as Klosterman wrote in GQ, "If you don't take Swift seriously, you don't take contemporary music seriously." * This book is a tribute to Taylor Swift, but she was not involved in its creation. *

Sing or play 19 of Stevie Wonder's greatest hits with a professional combo on CD to back you. Lead line/fake style arrangements with chords and lyrics. Includes: I Just Called to Say I Love You * You Are the Sunshine of My Life * My Cherie Amour * For Once in My Life * Signed, Sealed, Delivered I'm Yours * Superstition.

[Stevie Wonder](#)

Little Willie John lived for a fleeting 30 years, but his dynamic and daring sound left an indelible mark on the history of music. His deep blues, rollicking rock 'n' roll and swinging ballads inspired a generation of musicians, forming the basis for what we now know as soul music. Born in Arkansas in 1937, William Edward John found his voice in the church halls, rec centers and nightclubs of Detroit, a fertile proving ground that produced the likes of Levi Stubbs and the Four Tops, Stevie Wonder, Aretha Franklin, Diana Ross and the Supremes, Smokey Robinson and Hank Ballard and the Midnighters. One voice rose above the rest in those formative years of the

Read Free The Stevie Wonder Anthology

1950s, and Little Willie John went on to have 15 hit singles in the American rhythm & blues genre with considerable cross-over success in pop. Some of his songs might be best known by their cover versions ("Fever" by Peggy Lee, "Need Your Love So Bad" by Fleetwood Mac and "Leave My Kitten Alone" by The Beatles) but Little Willie John's original recording of these and other songs are widely considered to be definitive, and it is this sound that is credited with ushering in a new age in American music as the 1950s turned into the 60s and rock 'n' roll took its place in popular culture. The soaring heights of Little Willie John's career are matched only by the tragic events of his death, cutting short a life so full of promise. Charged with a violent crime in the late 1960s, an abbreviated trial saw Willie convicted and incarcerated in Walla Walla Washington, where he died under mysterious circumstances in 1968. In this, the first official biography of one of the most important figures in rhythm & blues history, author Susan Whitall, with the help of Little Willie John's eldest son Kevin John, has interviewed some of the biggest names in the music industry and delved into the personal archive of the John family to produce an unprecedented account of the man who invented soul music. "Little Willie John is the soul singer's soul singer." – Marvin Gaye "My mother told me, if you call yourself 'Little' Stevie Wonder you'd better be as good as Little Willie John." – Stevie Wonder "Willie John was one of the most brilliant singers you would ever want to come across, bar none. There are things that were great, there are things that were good. Willie John was past great." – Sam Moore "Little Willie John did not know how to sing wrong, know what I mean?" – Dion "Little Willie John was a soul singer before anyone thought of calling it that." – James Brown

At just 12 years old, Stevie Wonder was already a superstar child prodigy, performing his wondrous melodies and harmonies for live audiences and on television. Blind since infancy, Wonder didn't let his disability define him, instead learning many musical instruments and developing his unique musical style. In his extensive music career, he has won 25 Grammy Awards and released more than 25 albums, featuring the easily recognizable songs "You Are the Sunshine of My Life" and "Just Called to Say I Love You." Outside the recording studio, Wonder has championed causes around the planet, fighting against famine, abuse, and apartheid. In Stevie Wonder: Musician, read how this talented musician has inspired a new generation of musicians and serves as a voice of change for the world.

The first definitive biography of music legend Stevie Wonder Stevie Wonder's achievements as singer-songwriter, multi-instrumentalist, and producer are extraordinary. During a career that has spanned almost fifty years, he has earned more than thirty Top 10 hits, twenty-six Gram Awards, and a place in both the Rock and Roll and Songwriter Halls of Fame—and he's not

Read Free The Stevie Wonder Anthology

finished yet. On the verge of turning sixty, he is still composing, still touring, and still attracting dedicated fans around the world. For the first time, *Signed, Sealed, and Delivered* takes an in-depth look at Stevie Wonder's life and his evolution from kid-soul pop star into a mature artist whose music helped lay the groundwork for the evolution of hip hop and rap. Explores the life, achievements, and influence of one of America's biggest musical icons, set against the history of Motown and the last fifty years of popular music. Based on extensive interviews with Motown producers, music executives, songwriters, and musicians, including founding Temptation Otis Williams, Mickey Stevenson, surviving Funk Brother Eddie Willis, synthesizer genius Malcolm Cecil, guitar legend Michael Sembello, and many others. Traces Stevie's personal and musical development through the decades, from the early 1960s R&B of "Fingertips" to the social and political themes of "Living for the City" and other 1970s classics, through periods of musical and personal confusion, uncertainty, and, later, renewal. Read *Signed, Sealed, and Delivered* to explore the life and work of one of pop music's most compelling masters of invention.
