At night while his village sleeps, young Joseph hears a lion's roar thunderclap across the wide East African Savannah. Joseph's father tells him that it is not the right time to go and meet the lion, but when Joseph sees the lion racing towards him, his great head streaming with gold and his paws as big as drums, a special friendship begins. Every noontime Joseph visits the lion's den. He sleeps beside the lion, meets the lioness, and plays with the young cubs. Then one day, traders come looking for lion cubs and an anxious fear awakens in Joseph: he suspects that his father has betrayed the lions. The Releasing Garry Wills's *Venice: Lion City* is a tour de force -- a rich, colorful, and provocative history of the world's most fascinating city in the fifteenth and sixteenth centuries, when it was at the peak of its glory. This was not the city of decadence, carnival, and nostalgia familiar to us from later centuries. It was a ruthless imperial city, with a shrewd commercial base, like ancient Athens, which it resembled in its combination of art and sea empire. *Venice: Lion City* presents a new way of relating the history of the city through its art and, in turn, illuminates the art through the city's history. It is illustrated with more than 130 works of art, 30 in full color. Garry Wills gives us a unique view of Venice's rulers, merchants, clerics, laborers, its Jews, and its women as they created a city that is the greatest art museum in the world, a city whose allure remains undiminished after centuries. Like Simon Schama's *The Embarrassment of Riches*, on the Dutch culture in the Golden Age, *Venice: Lion City* will take its place as a classic work of history and criticism.

The Lion Storyteller Book of Animal Tales NEW YORK TIMES BESTSELLER • “A stirring tale of a rare bond formed between humans and an animal.”—*Time* Two men. One baby lion. What could go wrong? *A Lion Called Christian* tells the remarkable story of how Anthony “Ace” Bourke and John Rendall, visitors to London from Australia in 1969, bought a boisterous lion cub in the pet department of Harrods. For several months, the three of them shared a flat above a furniture shop on London’s King’s Road, where the charismatic and intelligent Christian quickly became a local celebrity, cruising the streets in the back of a Bentley, popping in for lunch at a local restaurant, even posing for a fashion advertisement. But the lion cub was growing up—fast—and soon even the walled church garden where he went for exercise wasn’t large enough for him. How could Ace and John avoid having to send Christian to a zoo for the rest of his life? A coincidental meeting with English actors Virginia McKenna and Bill Travers, stars of the hit film *Born Free*, led to Christian being flown to Kenya and placed under the expert care of the “father of lions” George Adamson. Incredibly, when Ace and John returned to Kenya to see Christian a year later, they received a loving welcome from their lion, who was by then fully integrated into Africa and a life with other lions. A video of this reunion has become a YouTube classic. Originally published in 1971, and now fully revised and updated with more than 50 photographs of Christian from cuddly cub in London to magnificent lion in Africa, *A Lion Called Christian* is a touching and uplifting true story of an indelible human-animal bond. It is destined to become one of the great classics of animal literature.
