Throughout the world, the radish is grown liberally. They can come in many different shapes, colours and sizes but one thing they all have in common is that they are all so good to eat. This book is a compilation of recipes assembled from a variety of sources and written by many different authors which, in one way or another, all cleverly utilise the tantalising flavour of this simple food in many different ways. This recipe book has been created Under Appointment to King Ronald of Radish, the revered Sovereign of The Loyal Kingdom of Radish. In 1984, Ron Mealing, who compiled this book, published a children's illustrated story book entitled "Adventures in the Lost Kingdom of Radish" which traced various strange activities in this mythical Kingdom "somewhere out there" in which the humble radish played a very important role, Ron has commenced to bring his original creation to the "silver screen" as an animated feature film and, on the way, decided that an assembly of radish recipes into an Official Cookbook of The Loyal Kingdom of Radish was highly appropriate as a companion work to his eventual theatrical release. Interlaced throughout the book are many illustrations showing some

of the earliest development of the story. Cooking, throughout the world, at times, uses some strange names for some of the things a recipe wants you to do. At the end of this book is a Glossary containing a detailed explanation of a number of these which may appear within one or more of the many radish recipes contained in this compilation.

When we reach out to the first bright light of the morning sun and stretch our arms to embrace it, we will experience immense joy. We just need to stretch our arms, and to welcome it within every cell and our being with love and enthusiasm. We will need to let go of all the inhibitions and let loose of all restrictions. The more we practice doing this, the closer we get to believe that the whole universe resides in us, in you." You are not a drop in an ocean but the entire ocean in a drop." Happiness is not an achievement; it is a realization. It is not a destination; we sense it throughout our journey. Happiness doesn't depend on what we have or what we don't have, it depends on what we are deep within us. When we stop constantly fighting back with what we are, when we realize that we are imperfectly the most perfect human ever created in the history of mankind. We realize our uniqueness. We can never make or produce happiness; we can only discover it because it has always been there around us and in our totality. Pure bliss has never happened to anyone through achievements, it happens when we drop the very idea of running behind, even running behind happiness and then we realize that we are complete and total, exactly as we are. This is how I write my bliss in black and white...
