How Rich Asians Think: A Think and Grow Rich Publication will give you the tools to eliminate excuses and overcome your fears so that you can begin turning your dreams into reality and become the person you were meant to be. How Rich Asians Think follows the chapter outline of the original Think and Grow Rich. Each chapter begins with the author's modern interpretation of the key points found in Napoleon Hill's original text. Then, the author shares success stories and examples from his interviews with Asian and non-Asian leaders relating to each principle of individual achievement. The author connects these stories and examples to Hill's key points in a short summary before leaving you with inspirational quotes exclusively from notable Asians. Each chapter concludes with exercises and action steps for you to apply what you have learned, enabling you to turn desire into forward momentum. As you read, write you thoughts and ideas, clarify your goals, and organize your plan. Regardless of your background, this book has the power to change your life. Your personal success goes beyond the boundaries of race, ethnicity, and culture. If you follow the thirteen principles of individual achievement taught by Napoleon Hill almost a century ago, you will succeed.

"Think and Grow Rich!" is the most widely acclaimed, influential book on success ever published. For a quarter-century, Napoleon Hill interviewed hundreds of successful men and women under the guidance of the richest man of his time, Andrew Carnegie. In this timeless classic, he reveals the secret to their great achievements—a powerful, proven formula that can empower you to achieve your own most cherished goals, too. If there is one must-have guide you need on the road to high achievement and success—to real riches in every aspect of your life—this is it. Unlike most versions of Dr. Hill's book, this edition restores his masterpiece to its original form and intent. It includes essential material on how to thrive in challenging economic times that was taken out of later versions but is incredibly relevant today. This is the only edition of "Think and Grow Rich!" that is fully annotated and indexed, providing key details about Dr. Hill's life and times, his life-long research, and the leaders of business and industry he studied to learn the invaluable principles of success you'll discover here. "This is the best single book on personal success ever written: it made me a millionaire—starting from nothing."—Brian Tracy, author of "Getting Rich Your Own Way" "It's the classic of

This book provides a synopsis of the original 1937 text of Hill's masterpiece, Think and Grow Rich. It extracts the key principles, instructions, and examples so that the modern professional, regardless of how busy he or she is, can benefit from the timeless wisdom found in Hill's book. To receive the greatest possible benefit from its wisdom, read no more than one chapter per day, allowing the space and time to fully digest its insights and to enable your imaginative faculties to act on the thought impulses generated thereby. You will also undoubtedly find your progress magnified by working through this content in the setting of a book club or study group, wherein the mastermind principle can be applied to reach higher-level orders of thinking. Regardless of your approach, when you commit yourself to practicing the steps outlined in this book, you will surely open yourself up to great personal growth and momentum toward achieving your dreams. "Anything the mind can conceive and believe, it can achieve." Within this one line is distilled a success formula so simple that anyone can apply it--and yet so demanding that only a minority of the population ever fully lives it out. Upon it was built a success philosophy that explains how human desires can be translated into material reality, a framework that rests upon the power of thoughts to seek expression in physical form. Through this singular concept, the world's wealthiest and most successful individuals--rich in money, relationships, power, peace of mind, and social standing--have built and maintained their prosperity. It is the foundational principle of Napoleon Hill's Science of Success program, an achievement philosophy that

effectively helped end the Great Depression and that has since made more millionaires, cultural icons, and thought leaders than any other. Hill was born in 1883 in a one-room cabin on the Pound River in Wise County, Virginia. He began his writing career at age thirteen as a mountain reporter for small-town newspapers. In 1908, as a young special investigator for a nationally known business magazine, he was sent to interview the great steel magnate Andrew Carnegie. During that interview, Carnegie shared the secrets that had enabled him to acquire hundreds of millions of dollars--a magic law of the human mind, a little-known psychological principle that was amazing in its power. Believing that this magic formula should be shared with those who did not have the time or resources to discover it on their own, Carnegie tasked Hill with spending twenty years or more developing this principle into a philosophy of personal success. This research would be conducted without pay; Carnegie merely provided Hill with access to over five hundred of America's greatest business leaders in order to test his success formula. In 1937, after twenty-nine years of research and writing, Hill published *Think and Grow Rich*, which contains the thirteen success principles that form the core of the Science of Success. Since its release, it has sold over one hundred million copies worldwide. No literary work in the personal development genre has had a greater creative impact than *Think and Grow Rich*.

A companion to the inspirational business book "*Think and Grow Rich*" offers an expansion of the principles outlined in the original volume, including mental exercises and self-analysis techniques

Success seems to come easily for some people. They live in luxurious homes, send their children to the best schools, drive fancy cars, travel around the world, and still have resources available to help their loved ones and contribute to the communities in which they live. They are no brighter or better educated than you. They do not work any harder than you do. They do not sacrifice their lives to earn a living; on the contrary, they earn more than enough to fully enjoy their lives. What is their secret? Welcome to *Practical Steps to Think and Grow Rich - The Secret Revealed* by Napoleon Hill. The principles and secrets for success are listed in the beginning of each chapter, making the information clear, inviting, and accessible - an approach that reveals the secret to thinking and growing rich without making you search for it.

Now you can quickly and effectively study and put into practice the greatest personal development program of all time. In only ten minutes a day, you can begin to implement the success principles that have made more millionaires and top influencers than any other achievement philosophy. Fame? Fortune? Impactful service? More meaningful relationships? You can have anything that you want in life when you discover the secret contained in Napoleon Hill's *Think and Grow Rich*. Originally published in 1937, *Think and Grow Rich* helped end the Great Depression with its 13 steps to amass riches. It holds the keys to financial independence, harmonious relationships, power, happiness, fulfillment, and peace

As Executive Director of the Napoleon Hill Foundation, I receive many requests from people wanting the original 1937 copy of Think and Grow Rich. To satisfy those of you who desire to have a 1937 unedited copy, we have reproduced Napoleon Hill's personal copy of the first edition, printed in March of 1937. The book has the notation, "not to be loaned," and signed: Annie Lou Hill (the wife of Dr. Hill). This personal copy of Dr. Hill's was given to me by Dr. Charles W. Johnson, Chairman of the Napoleon Hill Foundation and a nephew of Napoleon Hill. It was Napoleon Hill who sent Dr. Johnson to medical school, and today he is a practicing cardiologist. Charlie refers to Napoleon Hill as "Uncle Nap" and will often make the statement, "Uncle Nap would be proud of the Foundation today." The original 1937 manuscript was written and edited with the assistance of Napoleon's wife. In later years, the existing document was again edited by Dr. Hill. For example, the Foundation owns a 1958 edition that Hill edited personally. This did not lessen the book's value in Hill's judgment. Hill made the editing remarks in his own handwriting and the resulting 1960 edited edition has sold over 100 million copies making it the most read self-help book of all time. Today there are many so called authors who publish Think and Grow Rich and some even add their name alongside Dr. Hill's. I believe that these "authors" should be able to write something themselves instead of merely copying the work of Napoleon Hill. Who do they think they are kidding? Dr. Hill's works are highly recognizable and have had long lasting influence worldwide. In fact, Think and Grow Rich sells more copies today than before Dr. Hill died in 1970. Now you can purchase the original Foundation authorized 1937 unedited copy of Think and Grow Rich by visiting the Napoleon Hill Foundation's website, www.naphill.org. You will be supporting the

Think and Grow Rich - Napoleon Hill - The most famous of all teachers of success spent "a fortune and the better part of a lifetime of effort" to produce the "Law of Success" philosophy that forms the basis of his books and that is so powerfully summarized and explained for the general public in this book. In Think and Grow Rich, Hill draws on stories of Andrew Carnegie, Thomas Edison, Henry Ford, and other millionaires of his generation to illustrate his principles. This book will teach you the secrets that could bring you a fortune. It will show you not only what to do but how to do it. Once you learn and apply the simple, basic techniques revealed here, you will have mastered the secret of true and lasting success. Money and material things are essential for freedom of body and mind, but there are some who will feel that the greatest of all riches can be evaluated only in terms of lasting friendships, loving family relationships, understanding between business associates, and introspective harmony which brings one true peace of mind! All who read, understand, and apply this philosophy will be better prepared to attract and enjoy these spiritual values.

The Secret Revealed Napoleon Hill promises that there is a secret encoded in Think and Grow Rich. Hill writes that the secret appears hundreds of times in his book—but is never directly stated. Now, New Thought scholar and historian Mitch Horowitz reveals to you the master's secret, and explores exactly how to apply it in your life. In The Secret of Think and Grow Rich, Mitch also explores Hill's four most powerful steps, including the intriguing and widely misunderstood question of "sex transmutation." In this short book, Mitch supplies the clearest and most actionable chapter ever written on Hill's method of sex transmutation, a tremendously powerful and under-appreciated part of his wealth-building program. After reading The Secret of Think and Grow Rich, you will experience Hill's work in a whole new way. Your practice will grow more effective and dynamic—and you will experience positive and radical change. This is the book's promise. Discover it today.

Describes the means to financial and personal success, inspired by Andrew Carnegie's personal formula.

In every chapter of this book, mention has been made of the money ? making secret which has made fortunes for more than five hundred exceedingly wealthy men whom I have carefully analysed over a long period of years. The secret was bought to my attention by Andrew Carnegie, more than a quarter of a century ago. The canny, lovable old Scotsman carelessly tossed it into my mind, when I was but a boy. Then he sat back in his chair, with a merry twinkle in his eyes, and

watched carefully to see if I had brains enough to understand the full significance of what he had said to me.

"An inspiring and powerful success guide." ESSENCE Author and entrepreneur Dennis Kimbro combines best-selling author Napoleon Hill's law of success with his own vast knowledge of business, contemporary affairs, and the vibrant culture of Black America to teach you the secrets to success used by scores of black Americans, including: Spike Lee, Jesse Jackson, Dr. Selma Burke, Oprah Winfrey, and many others. The result is inspiring, practical, clearly written, and totally workable. Use it to unlock the treasure you have always dreamed of--the treasure that at last is within your reach.

What you have on hand this is the best-selling book by Napoleon Hill. Known worldwide for being one of the most influential books in history, this manuscript has sold over 60 million copies. Think and Grow Rich, presents the formula to amass fortune, proving that the recipe for success is timeless. And plan on keeping all the originality of this masterpiece, the publisher Citadel, after signing a strong partnership with The Napoleon Hill Foundation, decided to launch the 1937 original manuscript in its most faithful version. A Brazilian production, for lovers of American literature and for those wishing to improve their English with enriching content. "Whatever the mind can conceive and believe, it can achieve."

Over 25 years ago, Napoleon Hill, then a young special investigator for a nationally known business magazine, was sent to interview Andrew Carnegie. During that interview Carnegie slyly dropped a hint of certain master power he used; a magic law of the human mind - a little known psychological principle - which was amazing in its power. Carnegie suggested to Hill that upon that principle he could build the philosophy of all personal success - whether it be measured in terms of Money, Power, Position, Prestige, Influence, or Accumulation of Wealth. That part of the interview never went into Hill's magazine. But it did launch the young author upon over 20 years of research. And today we open to YOU the discovery and methods of using the revolutionary force which Carnegie quietly hinted at. The thrilling methods of using it are now taught in eight textbooks known as the LAW OF SUCCESS. In the trail of the LAW OF SUCCESS lessons come accomplishments, not mere entertainment and time-killing diversion. There come larger businesses, bigger bank accounts, fatter pay envelopes; small enterprises given new life and power to grow; low-pay employees shown how to gain advancement by leaps and bounds. Think and Grow Rich is Napoleon Hill's newest book, based upon his famous LAW OF SUCCESS philosophy. His work and writings have been praised by great leaders in finance, education, politics, and government.
