I'm a True Blue Friend!

A mysterious high-profile homicide in the nation's capital collides with the dark side of national security in David Baldacci's new, heart-stopping thriller. TRUE BLUE Mason "Mace" Perry was a firebrand cop on the D.C. police force until she was kidnapped and framed for a crime. She lost everything-her badge, her career, her freedom-and spent two years in prison. Now she's back on the outside and focused on one mission: to be a cop once more. Her only shot to be a true blue again is to solve a major case on her own, and prove she has the right to wear the uniform. But even with her police chief sister on her side, she has to work in the shadows: A vindictive U.S. attorney is looking for any reason to send Mace back behind bars. Then Roy Kingman enters her life. Roy is a young lawyer who aided the poor until he took a high-paying job at a law firm in Washington. Mace and Roy meet after he discovers the dead body of a female partner at the firm. As they investigate the death, they start uncovering surprising secrets from both the private and public world of the nation's capital. Soon, what began as a fairly routine homicide takes a terrifying and unexpected turn-into something complex, diabolical, and possibly lethal.

The old Terrible, 74, was ploughing her way across the waters of the Atlantic, now rolling and leaping, dark and angry, with white-crested seas which dashed against her bows and flew in masses of foam over her decks. She was under her three topsails, closely reefed; but even thus her tall masts bent, and twisted, and writhed, as if striving to leap out of her, while every timber and bulkhead fore and aft creaked and groaned, and the blocks rattled, and the wind roared and whistled through the rigging in chorus; and the wild waves rolled and tumbled the big ship about, making her their sport, as if she was a mere cock-boat. Stronger and stronger blew the gale; darkness came on and covered the world of waters, and through that darkness the ship had to force her way amid the foaming, hissing seas. Darker and darker it grew, till the lookout men declared that they might as well have shut their eyes, for they could scarcely make out their own hands when held at arm's length before their noses.

After September 11, 2001 Las Vegas Police Sergeant Randy Sutton began soliciting writing from law enforcement officers-his goal being to bridge the gap between the police and those they serve, with a book that offers a broad and thoughtful look at the many facets of police life. Hundreds of active and former officers responded from all over the United States: men and women from big cities and small towns, some who had written professionally, but most for the first time. Sutton culled the selections into five categories: The Beat, Line of Duty, War Stories, Officer Down, and Ground Zero. The result is True Blue, a collection of funny, charming, exciting, haunting stories about murder investigations, missing children, bungling burglars, car chases, lonely and desperate shut-ins, routine traffic stops, officers killed in the line of duty, and the life-changing events of September 11. Here, officers reveal their emotions-fear and pride, joy and disgust, shame and love-as they recount the defining moments of their careers. In these stories, the heart and soul behind the badge shines through in unexpected ways. True Blue will change the way we think about the deeply human realm of police service.
