It's true that some people spend years studying Spanish before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of Spanish, #LanguageHacking shows you how to learn and speak Italian through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the

language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in Spanish from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.

Increase students' ability to comprehend spoken Spanish; express their ideas & opinions; and analyze cultural perspectives while challenging fixed beliefs and cultural stereotypes. These outcomes motivated the respected author team of Así lo veo, the first Intermediate Spanish program to use a documentary, filmed specifically for the program, as the basis for instruction and learning. Since a documentary captures real situations and personal perspectives it is the perfect vehicle for increasing student engagement. With Así lo veo, the documentary motivates the presentation of content—vocabulary, grammar, and culture—and by extension, the learning. Specifically, Así lo veo documents how six Spanish speakers view timely, provocative themes. Because these are everyday people, not actors, they bring unscripted, real language as well as fresh ideas to the context of learning Spanish.

Language Hacking Spanish

In this masterly, deeply personal, and provocative book, the internationally renowned Mexican writer Carlos Fuentes, whose work has been called “a combination of Poe, Baudelaire, and Isak Dinesen” (Newsweek), steps back to survey the wellsprings of art and ideology, the events that have shaped our time, and his extraordinary life and fiercest passions. Arranged alphabetically from “Amore” to “Zurich,” This I Believe takes us on a marvelous inner journey with a great writer. Fuentes ranges wide, from contradictions inherent in Latin American culture and politics to his long friendship with director Luis Buñuel. Along the way, we find reflection on the mixed curse and blessing of globalization; memories of a sexual initiation in Zurich; a fond tracing of a family tree heavy with poets, dreamers, and diplomats; evocations of the streets, cafés, and bedrooms of Washington, Paris, Santiago de Chile, Cambridge, Oaxaca, and New York; and a celebration of literary heroes including Balzac, Cervantes, Faulkner, Kafka, and Shakespeare. Throughout, Fuentes captivates with the power of his intellect and his

prose. Here, too, are vivid, often heartbreaking glimpses into his personal life. “Silvia” is a powerful love letter to his beloved wife. In “Children,” Fuentes recalls the births of his daughters and the tragic death of his son; in “Cinema” he relives the magic of films such as Citizen Kane and The Wizard of Oz. Further extending his reach, he examines the collision between history and contemporary life in “Civil Society,” “Left,” and “Revolution.” And he poignantly addresses the experiences we all hold in common as he grapples with beauty, death, freedom, God, and sex. By turns provocative and intimate, partisan and universal, this book is a brilliant summation of an international literary career. Revisiting the influences, commitments, readings, and insights of a lifetime, Fuentes has fashioned a magnificently coherent statement of his view of the world, reminding us once again why reading Fuentes is “like standing beneath the dome of the Sistine Chapel. . . . The breadth and enormity of this accomplishment is breathtaking” (The Denver Post).
