A stunning debut; a Departures original publication. The ultimate survival story; a wild ride—the wildest—down a South American river in the thick of the Amazon Basin; a true and thrilling adventure of a young married couple who survive a plane crash only to later raft hundreds of miles across Peru and Bolivia, ending up in a channel to nowhere, a dead end so flooded there is literally no land to stand on. Their raft—a mere four logs—separates them from the piranha-and-caiman-infested water until they finally realize that there is no way out but to swim. Vintage Original. Holly FitzGerald and her husband, Fitz—married less than two years—set out on a yearlong honeymoon adventure of a lifetime, backpacking around the world. Five months into the trip their plane crash lands in Peru at a penal colony walled in by jungle, and their blissfully romantic journey turns into a terrifying nonstop labyrinth of escape and survival. On a small, soon-ravaged raft that quickly becomes their entire universe through dangerous waters alive with deadly animals and fish, their only choice: to continue on, despite the rush of insects swarming them by day, the sounds of encroaching predators at night. Without food or means of communication, with no one to hear their cries for help or on a search-and-rescue expedition to find them, the author and her husband make their way, fighting to conquer starvation and navigate the brute force of the river, their only hope for survival, in spite of hunger and weakening resolve, to somehow, miraculously hang on and find their way east to a large riverside town, before it is too late. . . . When females are rendered a valuable commodity after decades of gender selection that has caused boys to outnumber girls in India's Koyanagar, a girl who wants to avoid marriage and a boy who is forced to compete for a wife thwart each other before realizing they want the same thing. Simultaneous eBook. The #1 New York Times bestselling author returns with this candid, humorous, and captivating memoir

chronicling her journey toward reinvention and self-acceptance. When you've come out the other side of the bizarre, twisted world of the Playboy mansion, where do you land? If you're Holly Madison . . . there's no place like Las Vegas! After making the sudden decision to reclaim her life, Holly broke free from the sheltered, deceptive confines of the mansion (which meant exiting a hit television show) and was determined to start her life over . . . from scratch. Without the security of a job or relationship, she set out to reinvent herself on no one's terms but her own. Deciding to roll the dice and begin again in the glamorous and dreamlike city of Las Vegas, Holly quickly realized that while she may have left her past in the rearview mirror, the labels and stereotypes that came from it weren't so quick to leave her. With a fierce commitment to take charge of her own narrative, Holly dives headfirst into a journey of self-discovery. After a whirlwind stint on Dancing with the Stars, she snags the coveted lead role in the Strip's hottest new burlesque spectacular and lands a reality series spotlighting her new life as a single woman. If her own television show and dream job as a showgirl weren't enough to keep her busy, Holly explores the decadent, exclusive inner-world of Sin City, navigating its social and dating scene with humor and heart. When it comes to romance, she is met with an eclectic cast of characters, from fame hounds to long distance loves to the occasional celebrity and more than one tabloid mishap. In this reflective, heartwarming memoir, Holly learns that each dating disaster holds an important, and in some cases difficult to face, lesson about herself. The Vegas Diaries is a comedy of errors, set against the glitz and glamour of the dazzling Vegas strip. Through the wild and crazy experiences on one young woman's quest to "have it all," Holly faces her fears, anxieties, and insecurities to discover that her journey to self-sufficiency is also her path to healing. Letting go of trying to prove herself to others, Holly finally gains the courage to confront her past-and in the process finds the life and love she deserves. So the epic saga of love spanning 1,000 years begins of a young man, a young lady, and a heroic trek to faraway new destinies across the globe. An illicit affair, an unsolved murder, an intense summer romance in Cape Cod - introducing Holly LeCraw's explosive and stunningly-written debut. Seven summers ago, on Cape Cod, Marcella Atkinson - a married woman - fell in love with Cecil McClatchey, married father of two. Fuelled by desire and mutual respect, a secret affair blossomed, but when Cecil's wife was murdered, their romance promptly ended. Cecil died soon after, and while his wife's murder has never been solved, he remains a suspect. Years later, Marcella returns to her beach house on the Cape, where she encounters Cecil's grown son, Jed, who remembers her quite vividly from his youth. As both of them struggle to cope with the grief and loss of the past, they fall into a torrid and complicated affair. But as their relationship deepens, it leads to emotional crises and revelations about the unsolved murder of Jed's mother. Brilliant and seductive, this is a debut novel about love in all its forms and about the ripple effects of actions both good and evil. Thirteen-year-old Holly is dealing with the major concerns of every preteen and teenage girl: boys, family, and school. But with the help of her friends and her faith in God, Holly is able to survive her first boyfriend and her first breakup, a crush on her student teacher, and a new baby sister "invading" her house. Volume One includes Best Friend, Worst Enemy; Secret

**Summer Dreams; Sealed With a Kiss; The Trouble With Weddings; and California Crazy.** An unexpected love warms a woman's heart in this enchanting Christmas romance from New York Times bestselling author Jodi Thomas. Holly, a beautiful Texas tomboy, gets more than she bargained for under the mistletoe after her godfathers decide to find her a husband. Previously published in *A Country Christmas*. **Harlequin Heartwarming** brings you a collection of four new wholesome reads, available now! This **Harlequin Heartwarming** box set includes: **#143 RECIPE FOR REDEMPTION** by Anna J. Stewart To save her town's landmark inn, Abby Manning enters a cooking competition. There's only one problem: she can't cook. Who better to teach her than newcomer Jason Corwin? The disgraced celebrity chef is hoping to keep a low profile. Only thing is, he can't keep away from Abby. **#144 THE BULL RIDER** Cameron's Pride by Helen DePrima Joanna Dace lost her father years ago, but she's never stopped trying to understand why. That's the reason she's profiling yet another adrenaline junkie, bull rider Tom Cameron. But Tom isn't what she expected... **#145 THE BRIDAL BOUQUET** The Business of Weddings by Tara Randel Florist Kady Lawrence wants to win more wedding business until undercover DEA agent Dylan Matthews walks into her life and turns her well-planned goals upside down. **#146 WANTED: THE PERFECT MOM** Home to Bear Meadows by T. Earn points for all your Harlequin purchases from wherever you shop. **James Billings** is a West End art dealer struggling to make ends meet, when out of the blue Holly Lester, wife of the Labour Party leader, steps into his gallery. As they embark on an illicit affair, Billings soon finds himself drawn into the ruthless world of power politics that sweeps Holly's husband into Number Ten - and threatens to destroy Billings' own reputation and career. In the late 1990s rumours circulated of a provocative new work of fiction scrutinizing Britain's politics from the inside. Here at last is the satirical romp, dubbed 'the British Primary Colors,' that had publications from the Observer to the Sunday Times racing to find out who wrote it. For those who remember the early halcyon days of New Labour, this novel will bring back memories; for those too young to know better, it will provide an intriguing education. **Criminal Law and Procedure for the Paralegal, Second Edition**, offers assignments that mirror the work of the paralegal and cover local, state, and federal criminal cases. Students can gain practice and confidence doing the kind of work that a defense attorney, prosecutor, or law enforcement agency expects from a paralegal. Working with the various types of cases presented in this book familiarizes students with the role of the paralegal in the process of investigation, prosecution, and defense in criminal cases. The second edition has been updated to include more than three dozen new legal decisions, new coverage of legislative jurisdiction and Fifth Amendment due process clause, and the addition of six new cases including *United States v. Vilar* and *Hurst v. Florida*. **Key Features:** Updates include more than three dozen new legal decisions. Updated and expanded Chapters 6 and 7 with new coverage of legislative jurisdiction and Fifth Amendment due process clause. Six

new cases including *United States v. Vilar* and *Hurst v. Florida* | A sensible, four-part organization: Introduction to the criminal justice system The distinction between criminal law and criminal procedure Criminal law Criminal procedure | Realistic assignments, in which students draft indictments, memos, grand jury subpoenas, and jury instructions using hypothetical memos, investigative reports, and interviews as source material | Clear explanations of the basic elements of all criminal offenses | An accessible system of analyzing the legal nature of any criminal offense | An integrated treatment of white-collar crime | Broad coverage of a wide range of criminal investigations, from police investigations to administrative and grand jury investigation

Harmony, Texas, is a small town where dreams are born. As the residents face unexpected endings and new beginnings, they also come face to face with themselves—and what's most important in life

When Tinch Turner lost his wife, he gave up on living. Now he spends his nights brooding, boozing, and brawling. When one of his escapades lands him in the ER, he finds himself staring up at the beautiful new doctor in town. For the first time in years, he feels a spark, but Addison Spencer wants nothing to do with the unruly rancher—or any man for that matter. She's only in Harmony four months, long enough for the trouble she left behind to be over. But then a vulnerable little boy barrels into both their lives, forcing them out of the past—and into a future where love is just down the road

In the meantime, as Reagan Truman grieves for her beloved uncle, she finds comfort in the makeshift family she's made in Harmony—and in a new baby, the first born in the Wright Funeral Home in 45 years, proving to everyone that life does go on

When his sister dies, Mark Nolan is left in charge of her six-year-old daughter, Holly, who refuses to speak after her mother's death, until she makes a connection with widowed toy shop owner Maggie Collins.

When Mitchell Rafferty receives a phone call that his wife has been kidnapped and there is a two million dollar ransom, his extraordinary commitment to his wife will take him on a seventy-two-hour journey of sacrifice and redemption.

A laugh-out-loud debut novel for anyone who's tried to live the perfect life--and learned the hard way there's no such thing.

Holly Banks could not have made a worse first impression on the seemingly perfect moms in her new affluent community, the Village of Primm. Turns out wearing pink piggy pajama bottoms while dropping off her kindergartener late to the first day of school wasn't her best look. Not to mention Holly's worried her husband may be having an affair, she can't get her daughter to stop sucking her thumb, her hard-won film degree is collecting dust, and to top it all off, the power-hungry PTA president clearly has it in for her

To make matters even worse, Holly's natural eye for drama lands her smack-dab in the middle of a neighborhood mystery--right as her own crazy mother shows up in Primm "to help."

Through it all, Holly begins to realize her neighbors may be just as flawed as--and even wackier than--she is, leaving her to wonder: Is there such a thing as a perfect mom?

You'll have your deposit within seven business days, just like it says on Getaway.com. I've put through a refund to your credit card for the full amount, minus \$200 to replace the stained sheets

Miranda

When 30-year-old Dawn reads Miranda's email, she sees red. People have always told Dawn she's beautiful, and she just hopes they don't see beneath—to how she grew up, to what she's always tried to outrun. She

revels in her getaways with her perfect (maybe too perfect) husband, the occasional long weekend in luxurious homes, temporarily inhabiting other people's privileged lives. Miranda's email strikes a nerve, with its lying intimation that Dawn is so dirty you need to throw out her sheets. Beware of your "host" I wouldn't have left a review at all, if I didn't feel it was my civic duty to warn others... 57-year-old Miranda thought she'd seen it all, but she can't believe her eyes when she reads Dawn's review. She's a doctor's wife but she needs that rental money, desperately. People might think her life is privileged, but they don't know what's really going on. They don't know about her son. She won't take this threat to her livelihood—to her very life—lying down. Two very different women with this in common: Each harbors her own secret, her own reason why she can't just let this go. Neither can yield, not before they've dredged up all that's hidden, even if it has the power to shatter all they've built. This is not over. This is so not over. For fans of *He Said/She Said* and *Anatomy of a Scandal*, Penny Hancock's *I Thought I Knew You* is about secrets and lies - and whose side you take when it really matters. Who do you know better? Your oldest friend? Or your child? And who should you believe when one accuses the other of an abhorrent crime? Jules and Holly have been best friends since university. They tell each other everything, trading revelations and confessions, and sharing both the big moments and the small details of their lives: Holly is the only person who knows about Jules's affair; Jules was there for Holly when her husband died. And their two children - just four years apart - have grown up together. So when Jules's daughter Saffie makes a rape allegation against Holly's son Saul, neither woman is prepared for the devastating impact this will have on their friendship or their families. Especially as Holly, in spite of her principles, refuses to believe her son is guilty. **HOLLY GRAHAM'S WORLD IS TURNED UPSIDE DOWN ...**by her mother's deathbed confession. Fortunately, there's one constant in Holly's life: her best friend, Bryce Jarvis. His strong arms are there to comfort her. And his honey-brown eyes see her as more than the little girl he grew up with.... Bryce has waited for years to court Holly. But when his chance finally comes, Holly faces questions about her very identity. She isn't sure about anything anymore—even how she feels about Bryce. Can he make her understand that the pure love right in front of her is true and sure? **THE GIFT OF FAMILY** The flames of memory always seem to glow a little brighter during the holidays. Perhaps that's why this time of year is so difficult for airline heiress Ivy Macintosh, as she faces thoughts of yet another festive season alone. Since the plane crash that claimed the lives of her husband and two children eight years ago, she's been submerged in grief. When eleven-year-old Holly Greenwood knocks on her door, lost and frightened after a forbidden visit to her singing teacher, Ivy's self-imposed exile is shattered. Holly has an extraordinary voice, and wants nothing more than to perform in an upcoming Christmas musical. Holly's father, Daniel, doesn't allow music in their home, refusing to give a good reason why, yet Ivy is drawn to the warmth she senses beneath his gruff exterior. As Christmas nears, their shared concern for Holly begins to draw Ivy back into the world again . . . and toward a family who may need her just as much as she needs them . . . "Bestselling Michaels' bittersweet Christmas story offers the promise of a better tomorrow." --Booklist "The storyline is an

emotional rollercoaster, so keep a tissue box nearby . . . A great read." --RT Book Reviews, 4 Stars Following Holly's move east with her husband and five-year-old daughter from Colorado to the fancy Village of Primm, family dog Struggle begins digging up clues to a long-standing town mystery involving a stolen astrolabe and the true borders of the town. Cases argued and determined in the Supreme Court of North Carolina. With the household expecting another baby, Holly must find room in her heart for her new sibling in this bestselling youth series. Anticipating a humdrum holiday with her self-absorbed daughter, Claire Malloy attends an eccentric customer's Druid winter celebration, only to find the event's benefactor murdered. Reprint. Seminar paper from the year 2012 in the subject English - Miscellaneous, grade: 1 (A), , course: Englisch-Leistungskurs (LK), language: English, abstract: My interest in the question if Holly Golightly is an icon for modern women and why comes from my enthusiasm for the film "Breakfast at Tiffany's", which I like especially because of the main character Holly and my passion for New York City. Having already seen the film, I remarked several differences while reading the book and since then I wanted to discover their significances; so when I had to choose a topic for my research paper, the comparison of the Holly in the novella and the Audrey-Hepburn-version of her was one of the topics that I gave most preference to. In order to do that, I will first look at the author's life and summarize the storylines of novel and film adaptation so that one can find the content-related differences early in the examination. The second part will contain a characterization of Holly in the novel, followed by a comparison to the Holly in the film. The third part of this paper will explain the differences and conclusively try to find the influences that Holly Golightly has on modern women. I am simple person who have had a lot of bad experiences in life, but it haven't shaped my life. It has made me a stronger person and I want to share my experiences through my writing. I love writing and I hope I get successful with my writing and I hope my readers enjoy my style of writing. My childhood was very sad. I would run away and cause heartache for my parents. I married at sixteen just a child and had my first child at eighteen, but sadly I gave my son away. That's another story to be told. Please read my books, you won't regret it. I promise you. This ebook contains all of Oscar Wilde's plays (including the fragments), his only novel, his fairy tales and short stories, the poems, all of his essays, lectures, reviews, and other newspaper articles, based on the 1909 edition of his works. For easier navigation, there are tables of contents for each section and one for the whole volume. At the end of each text there are links bringing you back to the respective contents tables. I have also added an alphabetical index for the poems and a combined one for all the essays, lectures, articles, and reviews. Contents: THE PLAYS. Vera or the Nihilists, The Duchess of Padua, Lady Windermere's Fan, A Woman of No Importance, An Ideal Husband, The Importance of Being Earnest, Salomé (the French original and Bosie's translation, and the fragments of La Sainte Courtisane and A Florentine Tragedy. THE NOVEL. The Picture of Dorian Gray. THE STORIES. All the stories and tales from The Happy Prince and Other Tales, Lord Arthur Savile's Crime and Other Stories (incl. The Portrait of Mr. W.H.), and A House of Pomegranates. THE POEMS. The Collected Poems of O.W. THE ESSAYS etc. The four essays from 'Intentions', The Soul of Man

under Socialism, De Profundis (the unabridged version!), The Rise of Historical Criticism, the lectures (The English Renaissance in Art, House Decoration, Art and the Handicraftsman, Lecture to Art Students)"Lou and Josh have been together for 14 years. They share two kids, a mortgage, careers and plenty of history. Now, after a particularly fraught Christmas, Lou is ready to ask herself: is this marriage worth hanging on to? Every month for a year, Lou sets a different test for their relationship - from daily sex to brutal honesty - to help her decide if she should stay or go. Secrets are exposed, old wounds reopened and a true-to-life suburban love story unfolds." -- Publisher's website. It was the toothpaste smeared around the sink that broke my marriage. As I rubbed it away AGAIN, I was reminded of everything else I've put up with these twenty-five years. My husband's obsession with his pension, his ability to charm me into every single one of his ideas, never being taken on a romantic date, let alone ravished on the patio (like the woman who lives next door)... small things, but the realisation was huge. Just when Lucy Jones thinks her marriage is about to screech to a halt over toothpaste, her husband, Leo, announces he wants to move to tumbledown (clapped-out) Rose Cottage, and Lucy knows she'll be the one managing the renovations. Then along comes gorgeous builder Will, ten years younger and the only person actually listening to Lucy. His twinkly eyes and blowtorch smile are causing Lucy to break out in a hot sweat - but is it love, lust or simply dodgy hormones that are causing her heart to flutter? Lucy loves her husband, but everyone knows that little things build up. And then they explode. Can Lucy keep it together, or will there be one last straw she might not be able to get over? A laugh-out-loud romp with an ending that will make you gasp! Perfect for fans of Tracy Bloom, Sophie Kinsella and Dawn French. What readers are saying about Lucy's Last Straw: 'My favourite book this year... had me literally LAUGHING OUT LOUD... This book had me laughing, crying and rooting for Lucy on all the way. I loved it and recommend it for everyone!' Being Miss Meg, 5 stars 'Absolutely hilarious. It is so easy for any woman to relate to this book... sooooo good. I read this in just a few hours as I simply couldn't put it down. Go and grab your copy now. It's one everyone will be talking about this year.' Goodreads reviewer, 5 stars 'Wow! Honest, heartfelt and totally hilarious! Such an amazing read, I found myself either smiling or laughing constantly Bl\*\*dy brilliant!! I love it! a must read for every woman this summer.' Goodreads reviewer, 5 stars 'Made me smile, giggle and laugh out loud. I loved it and would recommend it to anyone.' Goodreads reviewer, 5 stars 'Funny from the very beginning until the end, and there were some laugh out loud moments which I loved... I was reading this at 2am! had me giggling away. I ended up reading this in one sitting, I just couldn't put it down. Thanks for one hell of a laugh Debbie!' The Bookend Reviews, 5 stars 'Loved this book from the very first word... It is the sort of book that I would love to be reading whilst laying on a hot beach... with so many twists and turns it keeps you hooked.' Goodreads reviewer, 5 stars 'My first read of Debbie Viggiano, and I can't wait to read more! Entertaining from beginning to end.' Goodreads reviewer, 5 stars 'You will be hard pressed to not find something both lovable and relatable in the character of Lucy Jones, who is reminiscent of Bridget Jones had the latter been on HRT. I laughed my way right through this charming and addictive read.' Goodreads

reviewer, 5 stars 'Funny from beginning to end... a real laugh-out-loud book, that not only had me giggling away, but quite often nodding in recognition of some of the situations.' A Good Book and a Brew, 5 stars 'OMGoodness - what a treat... a chuckly book, with good characters and a light heart.' Goodreads reviewer, 5 stars Holly couldn't live without her husband Gerry, until the day she had to. They were the kind of young couple who could finish each other's sentences. When Gerry succumbs to a terminal illness and dies, 30-year-old Holly is set adrift, unable to pick up the pieces. But with the help of a series of letters her husband left her before he died and a little nudging from an eccentric assortment of family and friends, she learns to laugh, overcome her fears, and discover a world she never knew existed. In bestselling author Holly Chamberlin's poignant new novel, a mother and daughter escape to a beautiful coastal town in Maine to find healing in the wake of heartbreaking loss. The journey to Yorktide, Maine, was always a happy one for Frieda and Aaron Braithwaite and their two daughters. Frieda loves her mother's old farmhouse, and the girls have grown closer there, sharing a bedroom and spinning stories into the night. But that was before—when tragedy was something that happened to other families. Since the car crash that claimed the lives of her husband, and their younger daughter, Frieda has struggled emotionally and financially. Bella, now seventeen, is withdrawn and wary, and Frieda fears losing her too. At her mother's urging, Frieda decides to return to Yorktide with Bella for the summer. Bella gets a job in a local shop, and little by little edges her way back into the world. But it's the unexpected connections they make—with a former schoolmate, a troubled teenage girl, and Frieda's estranged father—that will spur them to find healing amid bittersweet memories, and discover if their bond is strong enough to guide them back to hope once more. Praise for the novels of Holly Chamberlin "Chamberlin's latest is a great summer read but with substance. It will find a wide audience in its exploration of sisterhood, family, and loss." - Library Journal on Summer With My Sisters "Nostalgia over real-life friendships lost and regained pulls readers into the story." —USA Today on Summer Friends The land was called "Virginia" by Sir Walter Raleigh. A region of natural beauty, governed by temperamental weather, the western slopes of the Alleghenies beckoned a sturdy stock of early hunters, explorers, and settlers. This is the story of how those early residents forged a home, a nation, and finally, a state, along these rocky slopes. Holly Bush Road An Angelica Barrister Story By: A.A. Valentine In order to gain, we must sacrifice. And if a large group, such as a town, took this to heart, what would be the outcome? What sort of sacrifice is necessary, and who is willing to sacrifice what they hold dearest to them for the greater good? Holly Bush Road is the origin story for the main character, Angelica Eva Barrister. This book focuses mainly on the family's experience at their farmhouse on Holly Bush Road, and it introduces us to a sense of balance that is needed to be maintained, not only in our lives but in nature also. Perhaps we should rejoice in the "good" times, or perhaps we should be preparing ourselves for the "bad" times that will inevitably come. 'One of the funniest, most down-to-earth books I have ever read I devoured it.' Leah Reads Books When Hattie Green pops to the shop one afternoon, she never expects her life to flash before her eyes between the tins of baked beans and a special offer on sliced white.

**One minute she's loading her trolley and thinking about what to give her son for dinner, and the next she's speaking to a gorgeous man in a glowing white suit about what her life could have been. If you had the chance to go back and relive it all, what would you do differently? Go on that date, take that promotion, eat that second biscuit? Hattie is about to discover where she went wrong, but will her mystery second chance reveal some STONKING secrets in her past that probably should have stayed hidden? A gorgeous romantic comedy from the bestselling author of What Holly's Husband Did. Perfect for fans of Tracy Bloom, Marian Keyes and Dawn French. In this Christmas novella, a tightly-wound workaholic is getting unwrapped by a handsome stranger... Holly Redding has come home to enjoy the holidays with her family and, hopefully, to escape a case of writer's block. So when a chance encounter with a sexy local proves to be too much of a heart-racing distraction, she vows to keep her distance. But in a small town like Haven, New Hampshire, it's hard to avoid Cole Wiley—and their undeniable chemistry. Cole wants Holly the moment she bumps into him. She may act a little icy since their stolen kiss, but he knows how to make her melt. If Cole gets his way, the two of them might be ringing in the New Year—and a new life—together...**
