Sighted Sub, Sank Same examines the United States Naval air campaign against German U-boats prowling for allied merchant shipping traversing the waters of the Atlantic, Caribbean, and Mediterranean; an economic war waged to cut the lifeline of food and armaments sailing across the Atlantic from North America. This battle of the Atlantic evolved into a far-ranging conflict beyond the North Atlantic and the eastern seaboard of the United States. It covered the frigid waters off Iceland down to the warm waters of Florida, through the Caribbean Sea, across the ocean to the Bay of Biscay, the Mediterranean Sea, down to Africa, and across the South Atlantic to Brazil's southern tip. Nazi Germany's efforts to deny supplies from reaching Europe came at a high price, losing 783 U-boats and approximately 30,000 men between 1939 and 1945 with land and carrier-based naval air units sinking 83 German submarines of the 159 sunk by American aircraft. German allies saw their submarines targeted as well in the Atlantic with Imperial Japanese submarine I-52 and the Italian Archimede falling victim to American naval aircraft armed with depth bombs or acoustic homing torpedoes. This story of the United States Navy's use of air power to hunt down and destroy German submarines unfolds in dramatic detail in Sighted Sub, Sank Same. The book contains over 200 color and black and white photographs allowing for a visual imagery of the campaign while personal interviews, interrogation reports, personal correspondence, and after action reports weave a fascinating history about the naval air campaign in the Atlantic, Caribbean, and Mediterranean Theaters during World War II.

The most terrifying events in history are brought vividly to life in this New York Times bestselling series! Ten-year-old George Calder can't believe his luck -- he and his little sister, Phoebe, are on the famous Titanic, crossing the ocean with their Aunt Daisy. The ship is full of exciting places to explore, but when George ventures into the first class storage cabin, a terrible boom shakes the entire boat. Suddenly, water is everywhere, and George's life changes forever. Lauren Tarshis brings history's most exciting and terrifying events to life in this New York Times bestselling series. Readers will be transported by stories of amazing kids and how they survived!

Readers will be encouraged to actively test items to see if they sink or float.

In the second book of this lauded series, Fox and Chick are off on three new adventures involving a boat ride, a mysterious box, and an early morning trip to see the sunrise. Despite the antics ensuing from their opposite personalities, the contradictory duo always manages to find a happy center. This early chapter book in comic-book form is perfect for emerging readers, while the sweet and funny characters and captivating art hold appeal for picturebook audiences as well.

The rhyming misadventures of a group of zany sheep on a pirate ship.

Every time Mr Archimedes has a bath with his friends, the water overflows. Somebody must be putting extra water in the bath. Is it Kangaroo? Or is it Goat or Wombat? Whoever it is, Mr Archimedes is going to find out.

A NATIONAL BESTSELLER A NEW YORK TIMES NOTABLE BOOK AN NPR BEST BOOK OF THE YEAR ONE OF JANET MASLIN'S MUST-READ BOOKS OF THE SUMMER A NEW YORK TIMES EDITOR'S CHOICE ONE OF OUTSIDE MAGAZINE'S BEST BOOKS OF THE SUMMER ONE OF AMAZON'S BEST NONFICTION BOOKS OF THE YEAR SO FAR "A powerful and affecting story, beautifully handled by Slade, a journalist who clearly knows ships and the sea."—Douglas Preston, New York Times Book Review "A Perfect Storm for a new generation." —Ben Mezrich, bestselling author of The Accidental Billionaires: The Founding of Facebook On October 1, 2015, Hurricane Joaquin barreled into the Bermuda Triangle and swallowed the container ship El Faro whole, resulting in the worst American shipping disaster in thirty-five years. No one could fathom how a vessel equipped with satellite communications, a sophisticated navigation system, and cutting-edge weather forecasting could suddenly vanish—until now. Relying on hundreds of exclusive interviews with family members and maritime experts, as well as the words of the crew members themselves—whose conversations were captured by the ship's data recorder—journalist Rachel Slade unravels the mystery of the sinking of El Faro. As she recounts the final twenty-four hours onboard, Slade vividly depicts the officers' anguish and fear as they struggled to carry out Captain Michael Davidson's increasingly bizarre commands, which, they knew, would steer them straight into the eye of the storm. Taking a hard look at America's aging merchant marine fleet, Slade also reveals the truth about modern shipping—a cut-throat industry plagued by razor-thin profits and ever more violent hurricanes fueled by global warming. A richly reported account of a singular tragedy, Into the Raging Sea takes us into the heart of an age-old American industry, casting new light on the hardworking men and women who paid the ultimate price in the name of profit.

'Stay close, take care,' quacked Alexander's mother. But Alexander was a wayward duckling - he straggled behind and disappeared down a deep dark hole

Packed with rich detail and analysis of what often transpired when merchant ships were sunk by U-boats, this dramatic book highlights the hazards of World War II at sea. At its center, James P. Duffy relates the story of the sinking of the British liner Laconia by the German U-boat U-156. On September 12, 1942, as Laconia sailed crowded with 1,800 Italian prisoners of war, 103 Polish soldiers, 286 mostly severely wounded British military personnel, 80 civilians, and 463 officers and crew, she was hit by two torpedoes fired by U-156. Laconia's captain ordered the vessel abandoned, and within an hour, she sank. Perhaps surprisingly, the German U-boat then surfaced and sent a signal that brought two other U-boats, an Italian submarine, and three Vichy French warships to assist with rescue operations. The rescue operation by German ships and the subsequent bombing raid by Allied aircraft are both compelling stories and events that had major repercussions for the conduct of the war. In the wake of the incident, German admiral Karl Dönitz issued instructions known as the Laconia Order demanding that all attempts to rescue survivors from Allied merchant ships be ended. The order provoked an international outcry against inhumane treatment of survivors stranded at sea. After the war, Dönitz was charged with and acquitted of war crimes in connection with this order.

When Bertie is chased by a bear, all sorts of people chase after him and make all sorts of deafening sounds.

When a family on a sailing outing gets stuck in a surprise storm, there's only one boat tough enough to handle the rocking waves and howling winds: Blue Boat! Completing the primary-colored series of books that have won fans across the country, the team behind RED TRUCK and YELLOW COPTER present their third rhyming book about a vehicle who saves the day.

This is a charming counting book about a cat's day out on the town and all the delectable treats she is fed by her friendly neighbours - with slightly disastrous results! In her typically playful and child-friendly style, Pam has used repetition and reinforcement to introduce the numbers up to seven. We follow Hetty through her journey of pork pies and cupcakes to the dramatic climax and satisfying conclusion, which sees her home and safe again.

#1 New York Times Bestseller From the bestselling author and master of narrative nonfiction comes the enthralling story of the sinking of the Lusitania On May 1, 1915, with WWI entering its tenth month, a luxury ocean liner as richly appointed as an English country house sailed out of New York, bound for Liverpool, carrying a record number of children and infants. The passengers were surprisingly at ease, even though Germany had declared the seas around Britain to be a war zone. For months, German U-boats had brought terror to the North Atlantic. But the Lusitania was one of the era's great transatlantic "Greyhounds"—the fastest liner then in service—and her captain, William Thomas Turner, placed tremendous faith in the gentlemanly strictures of warfare that for a century had kept civilian ships safe from attack. Germany, however, was determined to change the rules of the game, and Walther Schwieger, the captain of Unterseeboot-20, was happy to oblige. Meanwhile, an ultra-secret British intelligence unit tracked Schwieger's U-boat, but told no one. As U-20 and the Lusitania made their way toward Liverpool, an array of forces both grand and achingly small—hubris, a chance fog, a closely guarded secret, and more—all converged to produce one of the great disasters of history. It is a story that many of us think we know but don't, and Erik Larson tells it thrillingly, switching between hunter and hunted while painting a larger portrait of America at the height of the Progressive Era. Full of glamour and suspense, Dead Wake brings to life a cast of evocative characters, from famed Boston bookseller Charles Lauriat to pioneering female architect Theodate Pope to President Woodrow Wilson, a man lost to grief, dreading the widening war but also captivated by the prospect of new love. Gripping and important, Dead Wake captures the sheer drama and emotional power of a disaster whose intimate details and true meaning have long been obscured by history.

Readers will say, "Yes, yes, yes!" From the moment Bella wakes up, her day goes wrong. She hates her breakfast egg, she won't share, she has a hurting foot, her supper is too hot, and her bath is too cold. And then it's no, no, no to bedtime. But at last a yawn, a story, and a kiss from mother end the day, with the promise of a cheerful tomorrow. Every parent, teacher, and caregiver will respond to this hilariously accurate portrait of one toddler with a case of the Terrible Twos!

Alfie lives off the coast of England. Merry lives in New York City. Until Merry and her mother set sail on the Lusitania for England, where Merry's father is recuperating from a war injury. People told them not to go, hearing rumors that the Lusitania might be carrying munitions. But they are desperate to be reunited with Merry's father. Alfie and his father find a lost girl in an abandoned house on a small island. The girl doesn't speak, except to say what sounds like "Lucy." Alfie's mother nurses her back to health. The others in the village suspect the unthinkable: Lucy is actually German—an enemy—because she's found with a blanket with a German tag. Told from Alfie and Merry's points of view, this exquisite novel tells of friends, enemies, and unexpected kindnesses.

Besides the sea, on Mr Pepper's place, there lived a cow, a donkey, a sheep, a pig, and a tiny little mouse. One warm sunny morning for no particular reason, they decided to go for a row in the bay . . .

When Mouse and Elephant decide to go on the seesaw, Mouse needs a lot of help from other animals before they can go up and down.

When David Shannon was five years old, he wrote and illustrated his first book. On every page were these words: NO, DAVID! . . . and a picture of David doing things he was not supposed to do. Now David is all grown up. But some things never change. . . . Over fifteen years after its initial publication, NO, DAVID! remains a perennial household favorite, delighting children, parents, and teachers alike. David is a beloved character, whose unabashed good humor, mischievous smile, and laughter-inducing antics underline the love parents have for their children—even when they misbehave.

When William Everett Crocodile is chosen to be a suitcase, his talking toothbrush becomes his salvation.

From award-winning author Deborah Heiligman comes Torpedoed, a true account of the attack and sinking of the passenger ship SS City of Benares, which was evacuating children from England during WWII. Amid the constant rain of German bombs and the escalating violence of World War II,

British parents by the thousands chose to send their children out of the country: the wealthy, independently; the poor, through a government relocation program called CORB. In September 1940, passenger liner SS City of Benares set sail for Canada with one hundred children on board. When the war ships escorting the Benares departed, a German submarine torpedoed what became known as the Children's Ship. Out of tragedy, ordinary people became heroes. This is their story. This title has Common Core connections.

This story is a story of awe and wonder over the mysterious and kingly power of the Lord Christ: "Who is He whom even the waves and winds obey?"

The reader is invited to guess who causes the boat to sink when five animal friends of varying sizes decide to go for a row.

The reader is invited to guess who causes the boat to sink when five animal friends of varying sizes decide to go for a row.

Little Bear loves his little boat. He rows it around Huckleberry Lake, fishing and dreaming. But then Little Bear begins to grow and grow, until one day he doesn't fit in his little boat anymore! All children who experience growing pains will appreciate Little Bear's predicament. And they will smile with satisfaction as the solution to his problem unfolds in simple, lyrical words and charming pictures from two award-winning picture-book creators.

Introduces the concepts of floating and sinking by following a fictional captain on the high seas who wonders why his boat floats and his treasure sinks.

The reader is invited to guess who causes the boat to sink when five animal friends of varying sizes decide to go for a row.

The #1 New York Times–bestselling story about American Olympic triumph in Nazi Germany and now the inspiration for the PBS documentary "The Boys of '36!." For readers of Unbroken, out of the depths of the Depression comes an irresistible story about beating the odds and finding hope in the most desperate of times—the improbable, intimate account of how nine working-class boys from the American West showed the world at the 1936 Olympics in Berlin what true grit really meant. It was an unlikely quest from the start. With a team composed of the sons of loggers, shipyard workers, and farmers, the University of Washington's eight-oar crew team was never expected to defeat the elite teams of the East Coast and Great Britain, yet they did, going on to shock the world by defeating the German team rowing for Adolf Hitler. The emotional heart of the tale lies with Joe Rantz, a teenager without family or prospects, who rows not only to regain his shattered self-regard but also to find a real place for himself in the world. Drawing on the boys' own journals and vivid memories of a once-in-a-lifetime shared dream, Brown has created an unforgettable portrait of an era, a celebration of a remarkable achievement, and a chronicle of one extraordinary young man's personal quest.

While trying to cross a moat, Archimedes the Goat and Skinny the Hen learn why objects sink or float. By the author of The Curious Demise of the Contrary Cat and the illustrator of Itsy-Bitsy Baby Mouse.

Introduces the concept of buoyancy by showing the effect of placing household items of differing size, structure, and weight in bodies of water.

A toy boat gets separated from its owner and has an adventure on the high seas.

Audisee® eBooks with Audio combine professional narration and text highlighting for an engaging read aloud experience! A rock sinks in the water. A hot air balloon floats in the air. Many objects float and sink. But what makes them move this way? And how do people use floating and sinking in their lives? Read this book to find out! Learn all about matter, energy, and forces in the Exploring Physical Science series—part of the Lightning Bolt Books™ collection. With high-energy designs, exciting photos, and fun text, Lightning Bolt Books™ bring nonfiction topics to life!

On November 23, 1942, German U-Boats torpedoed the British ship Benlomond and it sank in the Atlantic in two minutes. The sole survivor was a second steward named Poon Lim, who, with no knowledge of the sea, managed to stay alive for 133 days on a small wooden raft. Finally rescued at the mouth of the Amazon River, Poon was hailed as the "World's Champion Survivor." He still holds the Guinness World Record for survival at sea.

In 1979, Nam Le's family left Vietnam for Australia, an experience that inspires the first and last stories in *The Boat*. In between, however, Le's imagination lays claim to the world. *The Boat* takes us from a tourist in Tehran to a teenage hit man in Colombia; from an ageing New York artist to a boy coming of age in a small Victorian fishing town; from the city of Hiroshima just before the bomb is dropped to the haunting waste of the South China Sea in the wake of another war. Each story uncovers a raw human truth. Each story is absorbing and fully realised as a novel. Together, they make up a collection of astonishing diversity and achievement. Prizes: Winner of NSW Premier's Literary Awards: UTS Glenda Adams Award for New Writing 2009 and NSW Premier's Literary Award Book of the Year 2009. Shortlisted for Nielsen BookData/ABA Book of the Year Award - Booksellers' Choice 2009.

A boy's small paper boat—and his large imagination—fill the pages of this wordless picture book, a modern-day classic from the creator of *Pardon Me!* that includes endpaper instructions for building a boat of your own. A little boy takes a boat made of newspaper out for a rainy-day adventure. The boy and his boat dance in the downpour and play in the puddles, but when the boy sends his boat floating down a gutter stream, it quickly gets away from him. So of course the little boy goes on the hunt for his beloved boat—and when the rain lets up, he finds himself on a new adventure altogether. This seemingly simple story from Daniel Miyares is enriched with incredible depth and texture that transcend words.

Racing to freedom with thousands of other refugees as Russian forces close in on their homes in East Prussia, Joana, Emilia, and Florian meet aboard the doomed Wilhelm Gustloff and are forced to trust each other in order to survive.

The Voyage of the Dawn Treader sees Edmund and Lucy, along with their griggish cousin Eustace Scrubb, return to Narnia. Once there, they join Caspian's voyage on the ship to find the seven lords who were banished when Miraz took over the throne. As they sail toward Asian's country at the edge of the world, they come face to face with many dangers and wonders, including the place where dreams come true. They discover that their quest is more than they imagined and that the world's end is only the beginning...
